

Bakersfield Gate Repair worksheet

Use one sheet for the same job. Keep exclusions beside the price.

1. Gather the details

- ☐ Property ZIP and residential or commercial gate use
-
- ☐ Operator make, model and visible message if available
-
- ☐ Swing or sliding gate, observed symptom and when it started
-
- ☐ Recent service, access-control type and available manuals
-
- ☐ Safe site access and the times the entrance can be taken out of service
-

2. Compare two written proposals

Question to confirm	Quote A / business	Quote B / business
Diagnosis Which gate, operator and control checks are included?		
Parts and labor What identified parts and labor are proposed?		
Related work Are welding, electrical and access controls included?		
Completion checks What operation and safety-device checks are documented?		
Handover What instructions and service terms are supplied?		
Total + exclusions / extra charges
